Scotland

From July 10th 2020

The Scottish Government has announced that **face coverings** will now be **mandatory** in enclosed indoor spaces such as shops and **pharmacies**

What is a Face Covering:

We do **not** mean a surgical or other medical grade mask but a covering of the **mouth** and **nose** that is made of **cloth** or other **textiles** and through which you can breathe

Unable to wear a Face Covering:

If you are **unable** to wear a face covering due to a health condition or if you are concerned about wearing one please alert and speak to a member of the pharmacy team
